 - Profiles with biography section and contact information

Sprint 1 Goals

1.

2.

3.

4.

5.

NOTE: add high level goal these user stories are associated with.

Sprint 2 Goals

- 1.
- 2.
- 3.
- 4.
- 5.

NOTE: add high level goal these user stories are associated with.

Sprint 3 Goals

1.

2.

3.

4.

5.

NOTE: add high level goal these user stories are associated with.

DIAGRAM WE DID TODAY IN CLASS

Challenges

- There are a few user stories we have that we know we cannot realistically implement
 - Chat / private messaging
 - Questionnaire to help find compatible roommates/housemates
- None of us really know how to make a website (even if we know some aspects of it)

Technology

- Programming Languages
 - Python?
- Framework
 - ??? FireBase????? Idk man
- Development Environment
 - ???
